

Popescu's Journey

Walk-A-Thon/Prayer-A-Thon

Saturday, October 21, 2017

9 am-Noon

(Come when you can and walk as long as you'd like.)

Registration Information

On behalf of the members of St. Peter's Lutheran Church, thank you for doing your part to support the Popescu family during their journey.

As a spouse and parent, I can't imagine what this journey is like for the entire Popescu Family, but what I do know is that you can help them to make this journey a little more manageable. Susan became the 100% caregiver/runner for Dylan and so 100% of income to provide for the family came through Dan, which has now stopped due to Dan's cancer (Dylan's father). As a church and as a community, we can use the gifts God has entrusted into our care to make a difference. We can do this, showing our love for God by showing our support of prayers and finances for the family. This walk is a way to do this for the family by raising as much money as we can to protect their home and the future for all the Popescu's children and family.

So come and walk on Oct 21st at St. Peter's Lutheran Church in Richmond, MI. If you don't want to walk, bring your form and please take time to just go sit in the church and offer up prayers for the Popescu family as they walk this journey together with the Lord, with each other, and with our support. Thank you!
