

## **Immediate Opening for a Preschool GSRP Co-Teacher**

Seasons of Learning Preschool has an immediate full time teaching position in our 4-Year-Old GSRP preschool program. We are looking for a fun, creative and energetic teacher who enjoys working with children in our team-teaching GSRP Classroom. You will be working with an associate teacher in creating lesson plans, participating in large and small group activities and having fun while teaching the children. You will also be working with the associate teacher in completing home visits, and parent teacher conferences.

### **Responsibilities**

- Working along-side with the associate teacher in implementing weekly lesson plans
- Participate in guiding children in small and large group activities
- Create fun and exciting learning activities when tapping into the children's interests
- Create a positive relationship with children and their families along with co-workers
- Complete home visits, parent-teacher conferences and assessments on a timely basis
- Be able to attend some night activities throughout the school year, such as, family fun nights
- Have fun while working with children
- Excellent communication skills
- Follow School Policies and Procedures

### **Requirements**

- Bachelor's Degree in Early Childhood Education or Childhood Studies
- Bachelor's Degree in Elementary Education with a ZS or ZA endorsement in Early Childhood Education
- At least 1- year experience in working in a preschool classroom
- Must pass a background check and a TB test
- Current Driver's License and reliable transportation
- Salary is \$17.00 per hour
